Fundraiser Flaps

Arrowmen from near and far are always mispronouncing our lodge name. So to play off of "Kitten" lodge, we have a unique patch with kittens playing with the centennial ball. Proceeds from our NOAC fundraiser flaps will help send a Kittan member to NOAC.

Our own twist on a ghost patch, white on red just like the special edition sashes NOAC participants will receive.

NOAC Contingent Flaps

Kittan Lodge has just released its 2015 Centennial NOAC Contingent flaps! There are three (3) colored borders available. A golden colored border is reserved for those who participate in our sponsorship program to help send youth to NOAC. The other two colored borders are red and blue. These are the flaps that contingent members will be wearing and trading that are also available for sale. Grab a piece of unique history while they last!
